'All hands on deck, we've run afloat!' (Instrumental Break)

I heard the captain cry

'Explore the ship, replace the cook:
let no one leave alive!

Across the straits, around the Horn:
how far can sailors fly?

A twisted path, our tortured course,
and no one left alive

We sailed for parts unknown to man,
where ships come home to die

No lofty peak, nor fortress bold,
could match our captain's eye

Upon the seventh seasick day
we made our port of call

A sand so white, and sea so blue,
no mortal place at all.

(Instrumental Break)

We fired the gun, and burnt the mast,
and rowed from ship to shore

The captain cried, we sailors wept:
our tears were tears of joy

Now many moons and many Junes
have passed since we made land

A salty dog, this seaman's log:
your witness my own hand

(Instrumental Break)
